Dear Parents,

Governor Beshear signed senate bill 128 into law on March 24<sup>th</sup>. This bill, also known as the “redshirt” or “do-over” bill, would allow any K-12 student currently enrolled in our school to request a supplemental year for the 2021-2022 school year. Students will be allowed to retake and or supplement coursework already completed. The Kentucky Department of Education will be coming out with guidance for schools by next week. All Board of Educations will have until June 1<sup>st</sup> 2021 to approve all or none of the request. It is possible that our Board of Education could make a decision in our April or May meeting regarding SB 128.

Here are a few things to consider.

- Students may make up or retake classes from prior year or take supplemental classes.
- Students may participate in extracurricular activities as long as they meet the KHSAA age and other eligibility requirements. If a student turns 19 prior to August 1, 2021 they will NOT be eligible to participate in KHSAA sports during the 2021-2022 school year.
- Students may be able to complete career and or technical certifications they were not able to complete this past year due to COVID.
- We are still waiting on guidance from the Kentucky Department of Education, therefore there are still a lot of unknowns with this bill.

**If you wish to request to have your child take advantage of this opportunity, please return this form to your child’s school by Friday April 30<sup>th</sup>.**
